ABOUT ME

As a dedicated food technology student, I am passionate about the science and innovation behind food production and safety. With a strong foundation in food science, quality assurance, and sustainable practices, I am committed to contributing my skills and knowledge to the ever-evolving food industry.

EXPERTISE

- Environmental Science and Chemistry
- Agronomy
- Quality Control and Assurance
- Food Science & Technology
- Sensory Evaluation
- Extension Education & Agricultural Communication

EDUCATION HISTORY

- St. Mary's central college
G.C.E Ordinary Level on 2014 - 3A, 1B, 4C, 1S
- Norwood T.M.V
G.C.E. Advanced Level on 2017 -
Agriculture - B, Bio Sys.tech - C, Sci for tech - C

CERTIFICATION

- Community english teacher at CP/ HZ/ St. Mary's central college, Bogawanthalawa.

COMPLETED RESEARCH

- Present status of post harvest practices and loss assessment of potato cultivation in Seethaeliya GND, Nuwara Eliya district
- Fast Food Consumption among the advanced level school students Nuwara Eliya district research sessions (OURS 2021)
- Challenges in E-Learning teaching and learning practices in Up-Country and challenges faced by school teachers. Reasearch session(Faculty of arts & culture 2019)

LANGUAGES

- Sinhala - Intermediate
- Tamil - Native
- English - Intermediate

SKILLS

- Scientific Knowledge
- Technical Knowledge of Agriculture
- Project and Farm Management
- Agri-business Management
- Product Development
- GIS and Remote Sensing

EXPERIENCE

- Kothmale Dairy Products(Pvt) Limited, 051-730-2326
- NIPM - Assistant Lecturer (Currently Working)

PROJECT AND STUDIES

- New Mobile app development for customers to use as a guide when selecting, storing, and Preserving fruits.
- A study on synthetic foods.
- A study on Sensory Evolution

COMPLETED COURSE

- Introduction to Food Science and Food Technology Food chemistry
- Food Microbiology
- Dairy Product Processing Technology
- Postharvest Technology of Fruits and Vegetables Food processing and Preservation Technology
- Food Analysis and Sensory Evaluation Techniques Beverage Technology
- Bakeries and Confectionaries Technology
- Food Equipment Design and Fabrication
- Food Machinery
- Food Packaging and Labelling
- Fundamental for Fermentation Technology Introduction to Natural Products Technology
- Food safety and quality control
- Food nutrition
- Advanced analytical technology
